The Daily Sentinel.

JOSIAH TURNER, Jr., EDITOR.

A VERY OLD DEFINITION OF GOD.—The following curious passage is extracted from a Greek manuscript recently discovered in an Aribia monastry. It dates from the first century of the Christian era, and was written by Hermes, a disciple of St. Paul, to whom the apostle refers in his epistle to the Romans, xvi, 14:

First of all, belive there is but one God, who created and framed all things of nothing into being. He comprehends all things, and is only immense, not to be comprehended by any. Who can neither be defined by any words nor conceived by the mind; Therefore believe in Him and fear Him; and fearing Him, abstain from all evil.—Keep these things, and cast all lust and iniquity far from thee; and put on righteousness; and thou shalt live to, God if you shalt keep His commandments.

A SATISFACTORY FINANCIAL TRANSACTION.—A singular financial transaction occurred in one of the dock offices a day or two since. By some means or other it happened that the office boy owed one of the clerks three cents, the clerk owed the cashier two cents and the cashier owed the office boy two cents. One day last week the office boy having a cent in his pocket, concluded to diminish his debt, and therefore handed the nickel over to the clerk who in turn, paid half of his debt by giving the coin to the cashier The latter handed the cent back to the office boy remarking, "Now I only owe you one cent." The office boy again passed around the cent to the clerk, who passed it to the cashier, who passed it back to the office boy, and the latter individual squared all accounts paying it to the clerk, thereby discharging his entire debt.—Thus it may be seen how great is the benefit derived from a single cent if only expended judiciously.—*Buffalo Express.*

HOW THE GOVERNMENT IS RUN.—"Mack," the Washington correspondent of the Cincinnati *Enquirer*, thus lifts the veil:

General McPherson's Adjutant General, the best officer of the kind in the service, told me of a sun dial which had been constructed in one of the frontier forts—a very plain article on a granite pedestal—the actual value of which he estimated at $17. What do you think the Government has paid for it? He assures me that he has gone to the trouble to examine the vouchers in the Department, "and, "said he "as I'm a living man, that sun-dial cost the Government $40,000." I asked him how it was done. "I don't know," he said; "I only know that every quartermaster and commissary who has had anything to do with the fort owns a pair of horses, with silver mounted monogram harness, and splendid carriage and stone front houses."

QUALITIES OF A GENTLEMAN.—Mr. Thackery, who is credited by one as being "the gentlest of critics, tenderest of satirists, sharpest of cynics, hardest of moralists just as the mood takes him," has the following on the qualities of a gentleman:

"What is it to be a gentleman? Is it to have lofty aims, to lead a pure life, to keep your honor virgin, to have the esteem of your fellow citizens, and the love of your fireside, to bear good fortune meekly, to suffer evil with constancy, and though evil or good to maintain truth always? Show me the happy man whose life exhibits these qualities, and him we will salute as gentleman, whatever his rank may be; show me the prince who possesses them, and he may be sure of our love and loyalty."

THREE PRISONERS BREAK JAIL IN LUMBERTON.—On Saturday night last three of the four prisoners confined in the Robeson county jail at Lumberton succeeded in making their escape. One of these is the rascal "Shoemaker John," implicated in the robberies being practiced by the outlaw gang who are responsible for the reign of terror in Robeson. The jail is a simple, insecure wooden building, and the prisoners succeeded in making their escape by boring out a hole large enough for a man to crawl through in the side of the jail with an auger. This tool was introduced into the prison by a low white woman, who was criminally admitted to see these negro prisoners in jail that night, and who had the auger concealed about her person.

THE CITY OF BOSTON.—The number of persons on board the missing steamship City of Boston has at length been authentically ascertained. The whole number was 191, namely, 84 officers and crew and 107 passengers. Of the latter 55 were cabin and 52 steerage passengers. Besides several military British officers, there were on board a considerable number of the leading business men of Halifax. The steerage passengers were chiefly from New York, and included several families. The cabin passengers from New York were Allen Ebbs, wife, child and infant; Mr. Ryland and lady, W. M. Cochrane, M. A. Praeger, Mrs. M. Cosgrove, J. Adshead and R. C. Lawson. The City of Boston left Halifax on the 28 h of January.

A NEW KING.—An adventurous Frenchman named Tounens, has gone down to Chili and put himself at the head of the savages now waging war against that country, and has organized a monarchy, assumed the title of "Aurelie Antoine I," and nominated a cabinet composed of four other Frenchmen. He is making war in earnest, is supplied with arms and ammunition, and has received the allegiance of the neighboring chiefs. Three years ago he was in an insane asylum in Valparaiso from which he was released, and now he comes to the surface again as a full fledged king. He has given the Chilians much trouble, and seems determined to maintain his royal pretensions.

PASS HIM AROUND.—The Tennessee papers report that one Capt. G. H. Abal, the brutal wretch who had charge of the Confederate prisoners at Fort Delaware, during the war, is now a member of the shoe firm of R. M. Pomeroy & Co., New York, and with brazen impudence is traveling through the South on an electioneering tour for his house. He will no doubt do a smashing business wherever he is known.—*Waco (Texas) Examiner.*

A brother at Kingston, New York, after a lengthy exhortation at a revival meeting, raised his voice and said: "I omitted to say that if any one desires to see me at any time, I can always be found at the store of ——, in Kingston, where all kinds of dry goods can be obtained at reasonable prices."

THE AMERICAN COMBINATION

Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

*Place it unquestionably far in advance of any other similar invention.*

It is also the CHEAPEST intrinsically, as well as the BEST, since it is ready TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

# THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

FRIDAY, APRIL 8, 1870.

### "ONE AT A TIME, GENTLEMEN, ONE AT A TIME."

Once upon a time, within the memory of the present generation, E. R. Stanley, Gen. M. T. Hawkins, and a Mr. Tool, were candidates for Congress, in a Congressional district embracing Johnston county. During the canvass, they met at Smithfield, and addressed the people of Johnston, each one setting forth his own claims to the high position it was then some honor to attain to.

Gen. Hawkins, who was perhaps better read in matters pertaining to the turf than in ancient or even modern history, attributed, in his speech, the discovery of America to *Noah*. Mr. Stanley corrected him, saying, 'you mean Columbus, General; it was Columbus who discovered America."

"Well, well," said the General, "it was one of those old navigators, and it is all the same," and went on with his speech.

Just about the time the General had reached one of his strong points, on which he and Mr. Stanley differed, and he was pouring it into Stanley in the strongest style, a jack-ass, which was being exhibited on the Court green, set up a most deafening bray.

Stanley immediately cried out in the words at the head of this article, "one at a time, gentlemen; one at a time, if you please."

We are reminded of the above parrated incident by the fact that, in yesterday's *Standard*, Gen. Clingman, Marshal Carrow, a Surry Republican, "Dad," and Joe, are all braying at us at once. We say to them, in the language of Mr. Stanley, "one at a time, gentlemen, one at a time, if you please." But why this sudden outburst?

We simply asked the Governor if he owned now, or had, at any time, owned any of those Railroad bonds sold by his Treasurer to Swepson, at 65, by which the State lost $63,000, the Governor approving the sale; whereupon Joseph calls us "a liar." Last week he called us a "coward," and hoped to see us "swing in Wake county jail yard."

We don't believe it will detract from our standing, in the estimation of sensible people, for us to ask the Governor a simple question; and when, instead of answering, his son shall say, we are a "liar," we shall not say, "you're another," for that would be vulgar, and Joe might invite us, for explanation, into Tucker's back yard.

As to our begging Marshal Carrow for mercy, we *will* say "that's another." An arrangement was made with the plaintiff's Attorney to defer the sale under an execution which the Marshal had in his hands, without our even speaking to the Marshal or the Attorney, much less "begging." We called on the Marshal for the order deferring the sale, which he had agreed to give.

Now, we will tell you, Joseph, what the debt was for, for which this sale of property was to take place. It was for money borrowed before the war, to pay for an old negro woman and her children, to prevent them from being, like your "dad's" slaves, Willis and Moses, separated from her husband and the children from their father, and carried off to the South for sale. They were the only slaves we ever purchased.—While they belonged to us we treated them according to two-thirds of your "dad's" theory, we "clothed them well and fed them well," but we left out the other third, of "*whipping* them well." When they were emancipated by Lincoln's proclamation, we gave them a homestead, and they are doing very well, although not yet paid for, but they will be on the 4th day of June next.

Joe!—Joe!—The consolation which this act [affords] us now, is almost worth the humiliation of even "begging mercy" at the hands of Marshal Carrow, not to mention the pecuniary difficulty it involved us in.

We shall not dispute or fight over our just debts, Joe, as you did yours, in Tucker's back yard. But you may be easy; we shall say no more of your debts, except that you were made to "call for the calf rope," on account of one of them, in the place just above alluded to.

Now in regard to "Republican" of Surry; we opine he resides right here in Raleigh. It is two months since we spoke in Surry; no citizen who heard us then, could have remained so full of indigestion, as "Republican" professes to feel, from that time until now, without bursting!

This Surry correspondent has a peculiar style; in short writes very much in the style of the Governor.

We are told that many letters addressed to the *Standard*, for twenty years, were written by the Governor himself. That he has written letters from every county in the State—from New York—Washington—even Paris, without having traveled further than from his dwelling to the old *Standard* office, which, judging by the eye, is about 37 yards, 1 foot and 6 inches, air-line measure.

As to our calling all Republicans rogues, as this writer says we did, we deny it flatly, and say, "you're another." We *did* say that Holden's was a thieving, corrupt administration, and what is more, we *proved* it.

As to maligning the Judiciary, we only told of the public drunkenness of Greasy Sam Watts, Jay Bird Jones, &c., &c., and related the little incident of Judge Pearson refusing to administer the oath of office to the Jay Bird, because he was drunk; and that other little incident of his introducing Windy Billy Henderson to Col. Gaither, as the man charged with stealing Ben Kittrell's law-books, and Darr's mule.

We can prove all we said about the drunker, political, bribed members of the Judiciary, who disgrace the Bench of the State.

We did not denounce the citizens of Surry who read the *Standard*, further than this; we said, he who, being a subscriber to the *Standard* on the 19th day of September, 1868, and read the editorial "Work," blackening the chastity of his wife and holding her up to the world as a harlot, and still continued his subscription and patronage to that base and licentious sheet, must be a shameless creature. That all the people out of Surry may know we think this, we now repeat it.

Having alluded to three of the brayers thus briefly, we shall defer our answer to the old Jack, Gen. Clingman, to another occasion.

### STATE PRINTER DRUNK.

Joseph William, the new State Printer, successor to Littlefield, and ex-Director of the Chapel Hill Railroad by appointment from "Dad," is at this writing "full and fool drunk" on Fayetteville Street.

"Dad" has not called out the militia to suppress the irrepressible Joseph, but turned out himself; yes, "Dad" turned out, for we saw him on the street, going towards the *Standard* office just after Joseph had gone in to Fraps.

"Train up a child in the way he should go, and when he is old he will not depart from it." "Dad" scolded and Jo seceded. "Dad" was for reconstruction under Andy and so was Jo. "Dad" fell out with Andy and so did Jo. "Dad" goes to Fraps and so does Jo.

Train up a child to go to Fraps and when he gets old he will keep a going.

### CHARGES OF FRAUD AND CORRUPTION AGAINST THE COMMISSIONER OF THE FREEDMEN'S BUREAU.

WASHINGTON, April 6.—HOUSE.—The following are the charges made by Wood against Gen. Howard, Superintendent of the Freedmen's Bureau:

1st. That he has taken from appropriations made for, and receipts of, that Bureau, more than $500,000, improperly and without authority of law for the Howard University, Hospital and lands.

2nd. That a portion of land alleged to have been sold for the benefit of the Howard University, the funds were disposed of improperly to members of his own family and to officers of his own staff.

3rd. That the bonds in aid of the first Congregational Church of the City of Washington, were taken for a portion of this land, which have not yet been redeemed or paid, nor have they been returned in his official accounts as such.

4th. That the University buildings and hospital were built of patent brick, furnished by the American Building and Brick Company, in which Gen. Howard, Chas. Howard, Gen. Whittlesey and C. W. Alfred, attached to the Bureau, were interested as Stockholders.

5th. That the specifications for the construction of those buildings provided that the material used in their erection, should be taken from the bricks made by this Company, thus preventing competition and securing the use of that brick and no other for that purpose.

6th. That the brick so used was poor and nearly worthless; parts of the building have fallen down in consequence, and other parts have since been repaired and rebuilt at an expense of $35,000.

7th. With his consent and with his knowledge, lumber belonging to the government was used by this company, and appropriated to its own benefit, being resold to its employees.

8th. That he pays rent to the Howard University out of the funds of the Bureau, for the privilege of Headquarters.

9th. That he draws three salaries, viz: one as Brig. General in the U. S. Army, as Commissioner of the Freedmen's Bureau and as head of the Howard University.

10th. He has used funds of the Bureau of over $40,000 for the construction of the first Congregational Church in this city, taking the Church bonds in return, which he has either returned in his accounts as cash on hand, or sent them South for purposes of the Bureau.

11th. He has advanced a large sum from the funds of the Bureau to the Young Men's Christian Association in this city, taking their bonds in payment, which have been sent to Tennessee to help Freedmen's Schools in that State.

12th. That he caused, or knowingly allowed lands in this city, owned by an officer of the Bureau, to be transferred to a Freedmen's School in North Carolina; the officer taking money appropriated for that School, thus perpetrating a fraud both upon the Government and the Freedmen.

13th. That he was interested in the purchase of a farm of about 300 acres, near the Lunatic Asylum in this county, for which the public funds and other property of the government were used; buildings were erected thereon, built of lumber belonging to the government, and then let or sold to Freedmen at exhorbitant prices, and that he and his brother Chas. Howard, were personally interested in this transaction as a private pecuniary speculation.

14th. He has discharged the business of the office of Commissioner of the Bureau with extravagance and neglect unheard of, and in the interest of himself and family, and immediate friends.

15th. He is one of a 'Ring," known as the "Freedman's Bureau Ring," with connections and influences with Freedmen's Savings Banks and Freedmen's Schools of the South, and the political machinery of a party in the Southern States, and whose practice has been to defer the official authority and powers of the Bureau to personal and speculative purposes.

The Committee to which the above was referred have power to send for persons and papers.

The House went into the Committee of the Whole on the tariff bill. Cordials and brandy stand as reported by the Committee. The tax on cigars is fixed at $2,50 per hundred.

The Milwaukee *Wisconsin* tells the toughest yarn of the day of a German who attempted to jump upon a freight train in motion, and fell with his head upon the rail. According to the *Wisconsin*, the wheels struck his head and pushed it off against the snow, but turning the man on the centre so that his legs were thrown across. The rear wheels of the fourth car struck his legs and threw them off, but turning the man so that his head came on the track. The wheel of the next car struck the head, throwing that off and turning the feet on again, and so on until every set of wheels under the cars had spun the body around, throwing first the head and then the feet of the unfortunate man upon the track and into danger. The result was that the man was only severely bruised. Whew!

From the Hillsboro Recorder.

### TO THE PEOPLE OF ORANGE COUNTY.

As I see by the Hillsboro' *Recorder* it is proposed to hold a mass meeting in Hillsboro' on the 7th of May 1870 for the purpose, among others, to nominate candidates to fill the various offices within the county; I take this occasion to say that I neither desire nor expect to be a candidate for the nomination of Senator. I make this announcement in accordance with a determination formed some time ago to retire from political life at the close of the present Legislature. This step is imperatively demanded by private considerations, and the duties I owe to others, as well as the necessity to give unremitting attention and study to the profession which I follow. The causes which induced me to be a candidate at the last election, as set forth in my letter then published, have mainly ceased to exist. To the many friends who supported my aspirations, and also to those who generously acquiesced and actively exerted themselves after my nomination, I return many hearty thanks. The motives of all who labored to prevent division and disunion in our ranks are fully appreciated. In my course as a member of the Senate I have honorably endeavored to do my full duty, contending against an overwhelming majority, I regret that I was not able to accomplish more. To properly discharge the high trust, requires unceasing laborious effort. The fascinations and exhilaration which some think incident to public life soon pass away. The drudging and irksome round of duties to one who earnestly labors for the good of his State and county, affords but little pleasure or time for enjoyment. A consciousness of having faithfully endeavored to perform my obligations and a knowledge that my conduct is approved by my constituents is the only reward that I ask. While I have no right to flatter myself that I would receive the nomination if a candidate, it is but just to many friends, who have intimated a willingness and desire to support me, to take an early opportunity of making the announcement herein contained, that they may make other selections and on my part, to leave nothing undone that may promote the harmony of the proposed convention. In declining to be a candidate for the nomination I hope no one will suppose that I do not keenly desire the success of conservative principles. A knowledge of the imbecility, corruption, extravagance and rascality of the Radical factions in the Legislature, and their aiders and abettors but make me the more desirous that staunch and reliable men should be selected in the present emergency to devise measures for the resuscitation of our impoverished people. Any one is mistaken who supposes that the issues involved are not of vital consequence to our future prosperity and happiness. I shall labor earnestly for the triumph of those principles which I believe to be conducive to that end. I trust that our candidates may be well qualified for their important duties, and that old Orange may still retain the high position which she has ever occupied in the Councils of the State.

I am very truly yours,
JOHN W. GRAHAM.

From the Old North State.

### GOOD NEWS.

It is not often that we are permitted to write under the above caption. It is very seldom that we have any thing good in the shape of news to communicate to our readers. But this week we are able to gratify that class of our subscribers who so often ask us why we don't send them some good news. We know that, in their anxiety, they will become impatient before they read this far. We will, therefore, tantalize them no longer, but tell them without further circumlocution that *the Legislature has adjourned sine die*. It will never meet again unless convened by the proclamation of the Governor. And it is not probable that such an exigency will arise as will be sufficient to induce even Gov. Holden to desire another visit from it. It would have been well for the State if it had never convened at all. It may, possibly, have done some good acts, but the remembrance of its evil acts obscures them in almost utter darkness. If we were to put our pen on paper to write of any of its good acts, if there be any, we could not do it. Some of its gigantic swindles or corruptions would at once appear and drive from under our pen the act that we intended to write about.

The present Legislature will, in all probability, decend to posterity as the weakest, and the most contemptible, as well as the most ruinous and corrupt of any that ever assembled in our State. It has not only bankrupted the State but it has destroyed her good name and fair character. And many of its members have given convincing evidence, by their desire to avert an investigation into the charges, that they have been systematically corrupted—that they have been bribed to do what they have done with the money of those who intended to speculate upon the State's credit, and who, by such speculation gave the finishing stroke to its existence. Nothing but the upheavings of a great moral, social and political revolution could have raised such a set of men to power. And now that the revolution has subsided, in a measure,—that passion is being allayed, notwithstanding the rantings of a few designing agitators, and reason is resuming her sway, we expect to witness a mighty change. In the next Legislature we expect to see a different order of men, morally and intellectually, from those who, in the main, compose the present. We say in the main, for when we speak of it as a body we do not intend to include every member, of either political party. That there are some good, true and honest men in the present legislature, of both political parties, we have always believed and always said. And that in the many frauds and corruptions which have been perpetrated there have been some Conservatives concerned we fully believe.—But in so far as either of the political parties in the State are concerned, but one of them can be held responsible *as a party*.—The Radical party, or rather, the Radical wing of the Republican party, had a large—an overwhelming majority in both Houses, and consequently, is responsible to the State for all the Legislature has done. And it will be impossible for the friends of Gov. Holden to disassociate all of these swindles, frauds and corruptions from his administration. He never once raised his potent voice against them and in favor of an investigation into them. This he persistently refused to do, though importuned to do so, as we have been informed and believe, by many of the best men in the Republican party, and by several Conservative papers, ours among the number.

An English Bishop who was fond of shooting, in one of his excursions met with a friend's game-keeper, whom he sharply reproved for inattention to his religious duties, exorting him strenuously to "go to church and read his Bible." The keeper, in an angry mood, responded: "Why, I do read my Bible, sir, but I don't find in it any mention of the Apostles going a shooting." "No, my good man, you are right," said the Bishop; "the shooting was very bad in Palestine, so they went fishing instead."

## CARD.

SOUTHERN LIFE INSURANCE CO.
TO THE PEOPLE OF NORTH CAROLINA.

AT the request of General Jno. B. Gordon, President Atlanta Department, I have come to your State to bring prominently before you the claims and merits of the Southern Life Insurance Company. It is under the control of as honorable and as responsible men as there are in the land. It is managed in the most prudent and economical manner and will deal justly and fairly with all.

We have no war to make upon other Insurance Companies, but we do wish to impress upon the people the importance of *keeping their money at home*. By careful calculation it is estimated that a sum of not less than *twelve millions* (annually) is sent from the South, to the North for Life Insurance and unless checked will surely prove suicidal to our interests. We ask you to consider how greatly the material interest of this section would be benefitted by the retention of these enormous sums in our midst.

We send no money away to enrich foreign capitalists but *every dollar of premium* (less expenses) IS INVESTED IN THE STATE FROM WHENCE IT IS DERIVED.

This department of the Company has operated both in Georgia and South Carolina, and has done an unprecedentedly large business. Some of the most prominent gentlemen in those States are identified with its interest. Its Board of Directors embrace the names of the ablest financiers, and most successful business men in the South. They are the Trustees of the sacred fund of the widow and orphan. Will you not trust your friends and neighbors; or is it more secure in the hands of a ranger? We appeal to you to assist us in pushing forward this deservedly popular and reliable Southern corporation. Its solvency is unsurpassed by any Company doing business in the United States, its ratio of assets to liabilities *the only true test of a Company's strength*, fully sustaining this statement.—We would respectfully call attention to the Board of Directors and Stockholders, published in another column, and to our Board of Reference in this State and others.

# THE SENTINEL.

## CITY AND STATE ITEMS.

FRIDAY, APRIL 8, 1870.

☞ THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

SPEAKING AT MORRISVILLE.—The editor of the SENTINEL, by invitation, will address the people of Wake, at Morrisville, on Saturday, the 16th inst.

NEW ADS.—Pink Hardie, new arrival of Tobacco, Cigars and Snuff. We have tried his "Uncle Bob Dr." smoking tobacco, and find it palatable.

Spring Millinery, Mrs. M. E. Beasley makes her seasonable announcement of Goods in her line.

Leach Brothers—large addition of Groceries to their usual heavy and varied stock.

W. H. Jones & Co., Mountain apples and wrapping paper.

PERSONAL.—We had a call yesterday, at our sanctum, from Charles Spruill, Esq., the promising young gentleman who presides over the editorial department of the Warrenton *Gazette*. We wish the editor and *Gazette* success in their career of usefulness.

INVITATION.—We acknowledge the courtesy of an invitation to be present at the Anniversary celebration of the Ciceronian Society of Roanoke College, Va., on the 28th inst.

SPRING FIGHTS OPENING.—We understand a fight occurred on Wilmington street, yesterday afternoon, between a couple of white men and a colored man, in which the colored man was badly hurt.—The difficulty, we understand, originated in a political dispute; the colored man, in speaking of the election of Sheriff, said he would not vote for an Irishman, whereupon the white men, being of that nationality, and friends of our present Sheriff, "pitched in." They were afterward arrested and held to appear before the Mayor. We did not learn the names of any of the parties.

WILD OATS.—This is the title of a new Monthly, published in New York, devoted to wit, fun and wild oats, after the manner of Punch, or Yankee Notions, only far superior to the latter. Price 10 cents for a single copy or $1.00 a year.

DESTRUCTIVE FIRE IN PORTSMOUTH, VA. The Norfolk *Day Book* gives an account of a destructive fire which occurred in Portsmouth, Va., Sunday morning about 1 o'clock, by which $40,000 worth of property was consumed, amongst it the Post Office.—Fortunately, all the books, papers and mail matter were saved. The fire is thought to have been the work of an incendiary.

ATTEMPTED INCENDIARISM.—A colored man was detected in an attempt to fire the Baptist Church on Castle street, Wilmington, on Tuesday night. He was fired on by a gentleman who happened to be passing with a gun, as he crawled out from under the Church where he had a quantity of lightwood prepared to start the fire.

The leading Watch dealers in all the principal cities and towns of the United States, from Portland to San Francisco, and from St. Paul to New Orleans, to the number of over five hundred, have sent voluntary testimonials to the National Watch Company, that they consider and recommend the Elgin Watches to be all that the Company advertise them, as better finished, more correct and durable than any in market of similar prices.

This is a deservedly high compliment to the character of the Elgin Watches, and ought to be conclusive with watch buyers as to the watch they want.

**Caution.—Audacious Counterfeit!**

The reputation which, for many years, has attached to "Hostetter's Stomach Bitters," as the STANDARD TONIC OF THE AGE, and the large demand for the article, not only in the United States but elsewhere, have provoked the cupidity of the COUNTERFEITING TRIBE, and it has been extensively SIMULATED and IMITATED by unscrupulous shysters.

The most daring counterfeit of said article, which has been attempted, has recently come to our knowledge. The engraved steel label on bottles containing the genuine bitters, with its beautiful vignette of St. George and the dragon, its shield, containing a warning against counterfeiters, and its note of hand for "one cent" at the foot, signed with our firm name, has been copied so closely, that the fraud can only be detected on a minute inspection. The dark label is also well counterfeited, and the wording on both the imitation and genuine, are precisely the same, the difference being simply in the execution of the work; that of the imitation being somewhat coarser than the genuine. Other counterfeits are on the market, which are in all particulars the same as described above, with the exception of a slight difference in the spelling of our name.

In addition to the above, these counterfeiters have gone so far in some instances as to place a strip of paper over the cork and fasten to the neck of the bottle, on which is a vignette and wording printed to resemble the general appearance of our proprietary U. S. Revenue stamp, but upon inspection will disclose the absence of the figure "4" and the words "four cents," also "United States Internal Revenue," all of which, together with additional words, appear on our genuine stamp. The public are therefore, especially warned against these new COUNTERFEITS, and are advised to purchase Hostetter's Stomach Bitters only of houses whose integrity is above suspicion. The true specific is sold in *bottles six wholly—never in bulk.*—HOSTETTER & SMITH.

PAYMENT OF INSURANCE.—The following acknowledgement of the receipt of the full amount of an insurance policy issued to Mr. D. J. Ramsay, of Beaufort, is another evidence of the propriety of making that sort of provision for the protection of one's family in case of death. The Ætna has paid to the representatives of various families in this State, within the last three years, one hundred and fifty-three thousand dollars:

BEAUFORT, N. C., March 26th, 1870.

MR. C. LOWENBERG, Local Agent

for "Ætna" Life Ins. Co., Hartford, Con.

SIR:—Through W. H. Crow, General Agent, Raleigh, N. C., I have to acknowledge the receipt of $10,000.00 for Policy No. 36,606, held by Mr. David J. Ramsey, deceased, in the Ætna Company, and with pleasure recommend you to the community at large as an efficient Agent, as well as your excellent company for their prompt payment of claims against them.

Yours respectfully,

WM. B. DUNCAN, Adm'r.

of D. J. Ramsey, dec'd.

April 1 2w.

FIREMEN'S PARADE YESTERDAY.—Yesterday afternoon, Rescue Steam Fire Company, No. 1, turned out in full force and uniform, to bring out and test the capacity of their new Engine, just arrived from the shops of the Gould Engine Company, Newark, N. J. The Company is composed of fine, handsome, gentlemanly young men, and their engine is a beauty.

Preceded by the Raleigh Brass Band, the Company escorted their new Engine through a part of Fayetteville and Hillsboro' streets, and thence to the reservoirs in Capitol Square. Having attached the hose, (borrowed from the Merchants' Independent; their own not having arrived,) the fire was lighted and in five minutes she was throwing a stream against the belfry of the Baptist Church. The hose not being of calibre and strength sufficient for an engine of such power, she did not succeed in throwing a stream higher than half way up the dome of the Capitol, that is, entirely over the top of the Capitol proper, and a few feet higher.

There was a tremendous crowd out to witness the trial, and some fun was had by throwing a stream among some squads of juveniles. We were amused at seeing the Superintendent of Public Works dancing a break-down in the portico of the Capitol, to the music of the Band, under the excitement and exhilleration of the moment.

The test showed the engine to be a success, it now devolves on our citizens to make it available. The city needs water, and this can be had by sinking cisterns at proper intervals and filling them and keeping them full, from the eaves of buildings where they stand thick enough, and from the public wells.

But something else is necessary. The Company has a fine, reliable Engine, but it is not paid for, and this is a matter that concerns every man and woman who has property in the city, and every insurance Company that has taken risks on property here. We hope they will appreciate and fully meet their responsibility in the case.

P. S. We left before the trial was over, being obliged to sacrifice pleasure for business, but we learn that Gov. Holden and Attorney General Olds made short complimentary speeches to the Company, congratulating them on the evidences they exhibited of progress and usefulness.

We hope to see this, and all the rest of our City fire companies, so sustained as to encourage the organization of an efficient Fire Department among us.

NEW RECRUITS.—The Sheriff of Rockingham brought down three new recruits for the Penitentiary, yesterday; two negroes and one white. The darkies are in for twelve calendar months, each, one for illicit dealing in other people's dry goods and shoes, and the other for his immoderate fondness for bacon.

The white man, Sam. Frank In, is in for it for twelve years for taking too much liberty with another man's horse. Sam is a character, and takes things very coolly. He says that, if John Thompson, of Forsythe is in the Penitentiary, and he can get in the same cell with him, they will soon get out.

He says he used to be an honest man and a Democrat, until he went up to the neighborhood of Jamestown and was induced to join the leagues, after which he lost self-respect and fell into the course which has brought him to his present condition.

Sam is pretty hard on Judge Tourgee.—He says he had thought that the Judge, from his own experience of Penitentiary life, would not have been so hard on him as to sentence him for twelve years for merely stealing a horse. To use Sam's own language, "the d—d gar-mouthed son of a b—h sentenced me for twelve years, after I had voted for him and done all I could to elect him Judge!" He says, when he gets out, he intends going to some new State and running for Judge, and if he ever gets Tourgee before him he will sentence him to hard labor for life.

[We don't see why he may not anticipate getting out and going to some other State and being elected Judge; such things have occurred, it is said, before now.]

We don't hear of any marrying at all going on anywhere in this section at this time. Is the marrying mania at an end?—*Weldon News.*

When the fires of the hymenial altar reach an intensity of heat sufficient to melt a *Stone*, thus overcoming, by calcination, the callosity of the body, and reducing it to a friable condition, we may naturally look for a temporary reaction in the calorimotor, and a consequent subsidence in its visible effect on contiguous particles.

DEAD BODY FOUND.—We learn from the *Star* that the dead body of a man, so mutilated as not to be recognized, was washed ashore below Smithville one day last week. It is supposed to be the body of one of the crew of the *Elsenor T.*, which was wrecked near Fort Fisher last February.

**A Noted Clergyman and Public Lecturer says of "*Brown's Bronchial Troches*:" "In all my lecturing tours, I put Troches into my carpet-bag as regularly as I do lectures or linen." Public speakers, vocalists, and all others who exercise the voice, should never fail of using the Troches. They surpass all other preparations in clearing and strengthening the voice, removing hoarseness, allaying irritation of the throat, and as a *cough remedy* are pre-eminently *the best.***

ap 4-codlw

**Sick Transit.—The transition from** gray to unnatural black or brown, effected by the hair dyes and kindred preparations, is indeed a sickening transit. PHALON'S VITALIA, on the other hand, restores the natural hue to a shade, and is pleasant and safe, instead of sickening and pernicious. Sold by all druggists and fancy goods dealers.

ap 4-codlw

**Do You Want Health? And Who Does Not?**

If so, be advised, USE DR. TUTT'S SARSAPARILLA and QUEEN'S DELIGHT, the great alterative and blood purifier. There is no mystery about the universal success that attends its use. It is the finest selection of tonic, anti-bilious, anti-scorbutic, aperient and purifying HERBS, ROOTS and BARKS that ever entered into any medicinal compound.

Such license shall give to the person obtaining it the right to practice the trade or profession or to enjoy the franchise therein specified in the county of the sheriff, by whom it is issued, and in no other, unless the law imposing the tax shall otherwise direct, from its date to the following first day of April; *Provided*, That nothing in this section contained shall prevent any person duly selling at retail any article for sale, and proposing to present purchasers with any gift or prize as an inducement to purchase within the limits of the State, one per cent. upon the gross receipts. (signed,) A..... B.....,
*Sheriff of ..... County.*

(Countersigned,)
C..... D.....,
*Register of Deeds for ..... County.*

SEC. 31. The amount of taxes to be paid on obtaining the license to practice any trade or profession which is taxed by a certain sum, shall be in proportion to the tax imposed for the whole year, as the unexpired portion of the year from the date of the license is to the whole year.

SEC. 32. Every insurance company, not incorporated in this State, doing business therein, shall pay an annual tax of one per cent to the Treasurer of the State, upon the gross receipts derived from the premiums charged for insurance obtained therein, unless the company shall exhibit to the Governor, Auditor and Treasurer a sworn statement of investments in real property situated in this State, or loans secured by mortgage to citizens of the state of an amount equal to one-half of such gross receipts when the tax shall be one-half of one per cent, said tax to be paid quarterly, viz: on the first days of April, July, October and January in each year. Each general agent shall be required on the above named days to make a statement to the Treasurer, under oath, that the amount by him returned is a full and correct statement for such quarter. On failure to comply with the provisions of this section, every such company shall pay as tax two thousand dollars, and the principal agents shall be liable therefor. Every such company shall be required to appoint a general agent, who shall obtain a license from the State Treasurer before transacting any business therein, and before such license is granted, the applicant shall show to the Treasurer his appointment as general agent, under seal of the company, and thereupon the license shall be granted by the payment of one hundred dollars, and such license shall be renewed annually by the payment of the same sum. And it shall be the duty of said general agent to furnish each of his subagents with a commission authorizing him to do business. And any one found so acting insurance without such commission, shall be deemed guilty of a misdemeanor and be fined not less than one thousand dollars and imprisoned not less than ninety days. The agent effecting the insurance shall, on the first days of April, July, October and January, make returns to the sheriff of the county in which the insurance is effected, of all the business done by him during the preceding quarter in said county, and shall pay to him the county tax assessed on such business. The general agent shall also, on the first days of April, July, October and January, make returns to the sheriff of each county, of the amount of gross receipts for premiums received from such county for such quarter. It shall further be required of the general agent or his local agents to pay to the sheriff of each county the county tax assessed upon the gross receipts of premiums collected in such county, at the time and in the manner as required by the State, and no municipal corporation shall be allowed to add any additional tax: *Provided*, That no county or corporation shall be allowed to tax insurance agents for license. On failure to make returns, or to pay as aforesaid, said agent shall pay twenty-five dollars for each policy effected or negotiated by him in such county.

SEC. 33. Any person proposing to follow any taxed trade or profession may take out a license in advance of the time when he proposes to begin such trade or profession, or in advance of the expiration of a license already held by him in such case the license shall be truly stated, and shall specify the time at which it shall begin to be of force, as well as the time when it shall expire, which shall always be on the first day of January, April, July and October.

SEC. 34. No license issued by the sheriff shall be valid until the same shall have been exhibited to and countersigned by the register of deeds of the county, who shall receive for the services imposed on him by this act in reference to licenses, a fee of ten cents from every person licensed.

SEC. 35. The Register of Deeds shall keep a book, in which he shall record the name of the person licensed, the trade or profession to be followed or the franchise to be enjoyed, the date at which it begins to run and the sum paid to the Sheriff, and he shall, on the third Monday in January, April, July and October, send a certified copy of such record, for the quarter last preceding, to the Auditor of the State, who shall charge the Sheriff with the amount so appearing due. If any Register shall fail to perform the duty hereby imposed on him, he shall forfeit to the State a penalty of two hundred dollars, to be recovered of him and the sureties to his official bond, on motion in the Superior Court for the county of Wake, and on such motion a certified copy of his official bond and the certificate of the Auditor of State, setting forth his failure to make the required return, shall be *prima facie* evidence entitling the State to judgment in the absence of any sufficient defense.

SEC. 36. Every person who shall practice any trade or profession, or use any franchise taxed by the law of North Carolina, without first having paid the tax and obtained a license as herein required, shall be deemed guilty of a misdemeanor, and shall also forfeit and pay to the State a penalty not to exceed twenty dollars at the discretion of the Court, and in default of the payment of such fine, he may be imprisoned for not more than one month at the discretion of the Court, for every day on which he shall practice such trade or profession, or use such franchise, which penalty the Sheriff of the county in which it is incurred shall cause to be prosecuted for before any Justice of the Peace of the county.

SEC. 37. The sheriff shall immediately report to the Register of Deeds, all sums recovered by him as penalties under this act, and the Register shall add three-fourths of each penalty recovered to the record of licenses required to be kept by him; the other fourth the Sheriff may retain.

SEC. 38. No license shall be granted to any person until the license tax due by such person shall be duly secured by bond as required in section thirteen of schedule "B."

STATE OF NORTH CAROLINA,
OFFICE OF SECRETARY OF STATE,
Raleigh, March 31, 1870.

I, Henry J. Menninger, Secretary of State, hereby certify that the foregoing is a true copy of Schedule B, of an act to raise revenue, on file in this office.

**Do not Insure Your Life**

UNTIL YOU ASCERTAIN FROM

**P. F. PESCUD,**

General Agent for North Carolina,

WHY THE

**National Life Insurance Company,**

OF THE

UNITED STATES OF AMERICA

can, and does issue a larger Policy for less money than any other Company, represented in North Carolina.

The National was organized in August 1868. She has issued nearly

**10,000 POLICIES,**

HAS A CASH CAPITAL OF

**$1,000,000,**

which was all paid in before a Policy was issued and which has already increased, fifty per cent. All the losses reported to 1st Jan'y last amounted to but $60,000, and as a further evidence of the great care observed in the selection of risks, 924 applications amounting to nearly $2,000,000 were rejected last year. Therefore a solid basis and inducements that none but Stock Companies can afford, is enjoyed by all who prefer the National to Mutual or mixed Companies.

ALL LIABILITY FOR LOSSES IS AVOIDED.

Every man who has a family, should try to create an Estate for their support, when he is taken from them by death—and a very small annuity spent for a Policy secures a larger amount of Cash Assetts, and is far more certain, than the same amount will secure in any other investment, and a more tender expression of love and responsibility could not in any other way be more beautifully expressed.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has established its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound; Soft, clear, steady and uninjurious to the eye. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 18th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hare & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

**THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!**

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

**From the Missouri Republican.**

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, James P. Lucas, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

**Pianos for Sale! Pianos for Sale.**

MR. WILLIAM H. VAUGHAN, WELL known in our community as a Musician and Piano Tuner, is now appointed Agent for those splendid, Seven Octave, fine Rose Wood Pianos, built by C. M. Tremaine & Bro. These Pianos will be warranted for six years, and Mr. Vaughan is here ready to keep the instrument in perfect tune, if it should need it. He has at this time one of the Pianos at his residence, on Cabarrus Street, a little East of the N. C. R. R. Depot and would be glad to show it to any one who will call to see it.

These instruments took the premium at the Virginia State Fair, and without doubt are the best and cheapest instruments in the North or South.

Old Pianos taken in exchange for new ones, at a fair price. As I am confident that I can sell cheaper than any body else, I beg of my own people in the State to give me a call before purchasing elsewhere.

Piano tuning and Repairing done at shortest notice. Can make an old Piano as good almost as new, for a very low sum.
